SUMMARY

Highly motivated React developer with 1+ year of experience crafting user-friendly web experiences. Skilled in React, JavaScript, HTML & CSS, with a passion for building polished, interactive interfaces. Proficient in full-stack development with Java/Spring Boot experience. Eager to learn, grow, and contribute to innovative projects.

EXPERIENCE

React Frontend

- Independently built and deployed interactive React applications.
- Showcased strong JavaScript, HTML, and CSS skills.
- Implemented user-friendly interfaces and optimized performance.
- Troubleshoot technical challenges and improved application functionality.

Full-Stack Development

02/2023 - Present

Albania Lab

- Collaborated with a team on developing Java applications using OOP and Spring Boot.
- Contributed to the backend architecture, writing clean and efficient code.
- Gained experience with relational databases and API integration

Albania Lab Internship

11/2022 - 02/2023

- Gained foundational knowledge in software development practices and technology stacks.
- Learned from industry professionals and collaborated on real-world projects.
- Applied theoretical knowledge to practical development tasks.

EDUCATION

Polytechnic University of Tirana - Bachelor of Science in Telecommunication Engineering

10/2018 - 07/2021

Skills: Mobile Network Design, Digital Signal Processing, Wireless Communications, Software Engineering for Telecommunications, Programming (C, Intro to Programming, Object-Oriented Programming)

SKILLS

Databases: MySQL, MongoDB

React

HTML5

CSS

Tailwind CSS

JavaScript (ES6+)

Java

Spring Boot

React Hooks

State Management: Redux, Context API

React Router

API Testing: Postman
